

***You MUST have a rodeo entry form in order to compete at each rodeo location.

You will not be able to Fax in a form after the rodeo.

***No forms...no competing ***

Rodeo Entry Forms must be filled out entirely.

This means NO blanks.

If you do not know the name of the local hospital, put nearest.

***All forms must be signed by your principal and at least one parent or guardian. The principal signing for you, must be from the school you are a registered student

***Photocopied signatures will NOT be accepted. ***In comparing the previous entry forms to each other, it has been noted that there are some 'questionable' signatures. In the past, principals and schools have been called to verify that the signature is legitimate. This can happen in the future so be sure that your signatures are the real deal.

Thanks and if you have any questions, please feel free to contact your district executive

**Principal signature will be excused in the fall before students are back in school. After school starts, principals signature will be needed. (no excuses for holiday breaks, please make sure you are prepared with your paperwork)

**Homeschooled students: You must be registered somewhere in some type of school. The principal of that school is who is needed to sign your forms.
