

RODEO ENTRY FORMS INFORMATION

(These are the forms you **MUST** have to take to your rodeos)

June 2017

*** You **MUST** have a rodeo entry form in order to compete at each and every rodeo. You will not be able to Fax in a form after the rodeo.

*** **No forms...no competing**

*** Rodeo Entry Forms must be filled out entirely. This means **NO** blanks. If you do not know the name of the local hospital, put nearest.

*** All forms must be signed by your principal and at least one parent or guardian. The principal signing for you, must be from the school you are a registered student at.

*** Photocopied signatures will **NOT** be accepted.

*** In comparing the previous entry forms to each other, it has been noted that there are some 'questionable' signatures. In the past, principals and schools have been called to verify that the signature is legitimate. This can happen in the future so be sure that your signatures are the real deal.

Thanks and if you have any questions, please feel free to contact your district education coordinator.

** Principal signature will be excused in the fall before students are back in school. After school starts, principals signature will be needed. (no excuses for holiday breaks, please make sure you are prepared with your paperwork)

** Homeschooled students: You must be registered somewhere in some type of school. The principal of that school is who is needed to sign your forms.
