

MOUNTAIN VIEW AND AREA FUTURES OF RODEO SCHOLARSHIP

Dear applicant,

I first off want to thank you for your commitment, time, and dedication to the sport of the rodeo and western way of life, as well as for taking the time to apply for this scholarship for the purpose of bettering yourself. I wish you all the best in the future of your rodeo career regardless if you are selected as the recipient for this year.

After growing up in a community driven by agriculture and rodeo and spending a year as Miss Rodeo Sundre 2017, it became very important to me to preserve the traditions of rodeo. I found that a great way to do this was to encourage and promote youth to continue to compete in rodeo and stay active in the agriculture industry. It is my hope that this scholarship will help youth continue to pursue their goals whether they have been competing for years or are just starting out.

The purpose of the \$500 scholarship is that it is to be used to cover costs such as clinics, gas, entry fees, tack and equipment, and horse board. I understand that times are tough and my goal is to help alleviate some of these costs so you can focus more on competing and improving.

I, again, thank you for taking the time to apply for this scholarship and encourage you to apply again in 2021 if you aren't selected this year.

Best wishes and safe travels on the rodeo trail!

Alisa
